

## SUBJECT INDEX

- Abdominal aortography in diseases of the kidneys and adrenals** ..... 257
- ABO blood group. Peptic ulcer and the — system** ..... 45
- Accident. Deaths by — among children in Denmark 1931—1955** ..... 219
- Accidents. A statistical analysis of —** ..... 230
- Acidosis. The treatment of respiratory —** ..... 47
- ACTH. Non-reactive miliary tuberculosis and monilliasis complicating severe granulocytopenia treated with — and cortisone** ..... 147
- Actocortin** ..... 200
- Adrenals. Abdominal aortography in diseases of the kidneys and —** ..... 257
- Adults. Isolation of Echo virus from two cases of "minor illness" in —** ..... 236
- Aetiology. The — of primary varicose veins** ..... 102
- Amaurotic idiocy. Lymphocyte degeneration in —** ..... 156
- Anaemia. Haemolytic — in Denmark** ..... 141
- **Auto-immune haemolytic —** ..... 143
- **in Hodgkin's disease and chronic lymphatic leukaemia** ..... 150
- Aorta. Coarctation of the —** ..... 33
- Aortography. Abdominal — in diseases of the kidneys and adrenals** ..... 257
- Arteriography. Thrombosis of the internal carotid artery verified by —** ..... 240
- Artificial respiration. The employment of — in diseases other than poliomyelitis** ..... 9
- Autocatalytic reaction. The — in blood coagulation** ..... 160
- Auto-immune haemolytic anaemia** ..... 143
- BCG-vaccination. The efficacy of —** ..... 13
- Blood coagulation. Defects in —** ..... 164
- **coagulation. The autocatalytic reaction in — group. Peptic ulcer and the ABO — system** ..... 45
- **group. The Lewis — Lea in adults** ..... 210
- Cancer incidence in Denmark 1943 to 1953. IV. .** ..... 55
- **Total gastrectomy and construction of jejunal reservoir in the treatment of advanced gastric —** ..... 201
- **Transverse colon as a substitute for the stomach following total gastrectomy for —** ..... 205
- Carcinoid. Metastasizing — and 5-hydroxytryptamine** ..... 96
- Carcinoma. Diffuse scirrous —** ..... 93
- Cardiac function in funnel chest** ..... 251
- Carotid artery. Thrombosis of the internal — verified by arteriography** ..... 240
- Cerebrospinal fluids. Isolation of Echo virus type 9 from —** ..... 233
- **fluid. Uric acid in the —** ..... 22
- Children. Deaths by accident among — in Denmark 1931—1955** ..... 219
- Chlorpromazine. Diabetes mellitus in a psychotic patient with recovery during — therapy** ..... 134
- Cholangiography. Operative —** ..... 113
- Cholinergic crises in the treatment of myasthenia gravis** ..... 126
- Classification of diseases. The — in general practice** ..... 183
- Climacterium. Surgical —** ..... 111
- Coarctation of the aorta** ..... 33
- Colon. Transverse — as a substitute for the stomach following total gastrectomy for cancer** ..... 205
- Complement. Fixation of thermolabile serum globulin — to sensitized red blood cells** ..... 137
- Conservative and hemodialytic treatment of acute renal failure** ..... 73
- Cortisone. Non-reactive miliary tuberculosis and monilliasis complicating severe granulocytopenia treated with ACTH and cortisone** ..... 147
- Danish Medical Association. Centenary of the —** ..... 169
- Deaths by accident among children in Denmark 1931—1955** ..... 219
- Defects in blood coagulation** ..... 164
- Degeneration. Lymphocyte — in amaurotic idiocy** ..... 156
- Denmark. Cancer incidence in — 1943 to 1953. IV.** ..... 55
- **Deaths by accident among children in — 1931—1955** ..... 219
- **Haemolytic anaemia in —** ..... 141
- **The development of Medicine in — since the foundation of the University of Copenhagen in 1479** ..... 170
- **The incidence of pulmonary tuberculosis in — by sex and age 1921—1955** ..... 191
- Dermatomyositis and tumor** ..... 196
- Development The — of Medicine in Denmark since the foundation of the University of Copenhagen in 1479** ..... 170
- Diabetes mellitus in a psychotic patient with recovery during chlorpromazine therapy** ..... 134
- Disease. Bilateral polycystic — of the kidneys** ..... 128
- Diseases. Abdominal aortography in — of the kidneys and adrenals** ..... 257
- **The classification of — in general practice** ..... 183
- Dumping syndrome. Investigations concerning the pathogenesis of the —** ..... 208
- Echo virus. Isolation of — from two cases of "minor illness" in adults** ..... 236
- **Isolation of — type 9 from cerebrospinal fluids** ..... 233
- Endoscopies. Pethidine for —** ..... 16
- Fibrinolytic effects. Partial purification and — of a factor in peptone** ..... 159
- Foetal growth. Correlation between human — and water and protein contents of maternal tissues and body fluids** ..... 26
- Funnel chest. Cardiac function in —** ..... 251
- Gastrectomy. Total — and construction of jejunal reservoir in the treatment of advanced gastric cancer** ..... 201
- **Transverse colon as a substitute for the stomach following total — for cancer** ..... 205
- General practice. Morbidity statistics from —** ..... 190
- **The classification of diseases in —** ..... 183
- Genital prolapse. Surgical treatment of —** ..... 121
- Granulocytopenia. Non-reactive miliary tuberculosis and monilliasis complicating severe — treated with ACTH and cortisone** ..... 147
- Gynaecomastia in Hodgkin's disease** ..... 157
- Hemodialytic treatment. Conservative and — in acute renal failure** ..... 73
- Haemolytic anaemia in Denmark** ..... 141
- **Auto-immune —** ..... 143
- Hodgkin's disease. Anaemia in — and chronic lymphatic leukemia** ..... 150
- **Gynaecomastia in —** ..... 157
- Hospital. The role of the — in the public health programme** ..... 179
- Hydroxytryptamine. Metastasizing carcinoid and —** ..... 96
- Hypo-gammaglobulinanaemia. Recurrent pneumonia in multiple myeloma due to acquired functional —** ..... 153

## SUBJECT INDEX

- Abdominal aortography in diseases of the kidneys and adrenals** ..... 257
- ABO blood group. Peptic ulcer and the — system** ..... 45
- Accident. Deaths by — among children in Denmark 1931—1955** ..... 219
